

## Charity Program to earn your Bib

### Marathon du Mont-Blanc 2025 - 12th edition Charity bib

**Run for rare diseases** with the French association Lysosome - Vaincre les Maladies Lysosomales. For the 12th consecutive year, some fifty runners will take the start of the Marathon du Mont-Blanc events to support our action. €300,000 have already been raised thanks to supporters of the solidarity bibs.

Lysosomal diseases are 60 rare genetic diseases mainly affecting children. They lead to important physical and neurological disabilities. Since 1990, the organisation VML helps families and finances the International Scientific Research. *More information is available on our french website: [www.vml-asso.org](http://www.vml-asso.org)*

### Our “Charity Program”

Our objective ? You win your race number thanks to the generosity of your friends, networks, supporters by collecting the maximum amount of donations and exceeding the mandatory minimum goal (set by the organisers), because each piece is another step towards healing.

- ✓ **Win your Charity number**, raise donations before 15 February 2025
- ✓ **Collect a minimum on your fundraising page:** €400 for CROSS 23KM (program limited to 15 bibs)  
 €700 for MARATHON (program limited to 20 bibs)  
 €600 for 90KM (program limited to 10 bibs)

### How to pre-book and win your Charity Bib for the Marathon du Mont-Blanc,

**1- Register to pre-reserve your Bib:** Complete the index card (name, first name, address, email) and pay the €20 registration fees ... You will receive a confirmation email.

Your bib is pre-booked and you have until February 15, 2025 to mobilise your supporters on your fundraising page.

**2- Your fundraising page:** We will put at your disposal a dedicated online donation collection page. Together we can personalize the message and photos to motivate and mobilize your supporters.

The donations received are directly donated to the association and counted in your collection for the validation of the bib.

Our site is in French. We understand this may be restrictive. It is an easy, free and centralised tool for all collections. But if some of your supporters have a difficulty with this application, we can give you a secure payment link "Paypal".

3. **Raise a maximum donations before the race** and the minimum donations for your bib before March 15, 2025. When you reached your goal, we shall tell you how to finalise the registration (with medical certificate) on the marathon's website.

## **CANCELLATION OF YOUR PARTICIPATION**

If you have to abandon this program (due to eg. injury, counter-time, non-motivation to collect, etc) we would like you to inform us as soon as possible so that the race number can be put back in play and donations that it represents are not lost to the Association.

If you have to abandon this program, you can ask us to send your pre-reservation and collection to a person of your choice. (Warning: when you have activated your bib number it is no longer possible to change the name of the runner.)

For tax and regulatory reasons, no donation will be reimbursed.

In the event that a collection has not reached the minimum amount by March 15, 2025, the Association may, depending on the progress of the latter, give an additional period or put back the number to bets after having informed you.

The Association reserves the right to cancel the pre-registration of a participant who has not activated her/his fundraising or does not succeed in making it grow, and has not responded to our re-emergencies by email or phone.
